

Over 4 million American families
have a loved one with

ALZHEIMER'S DISEASE

If you have a loved one who has been diagnosed
with Mild to Moderate Alzheimer's Disease,
they may be eligible to participate in a research
study of an investigational medication

To qualify, participants must:

- **Be 50 years of age or older**
- **Be in generally good health**
- **Have a reliable caregiver**

Participants will receive study-related medical care,
as well as compensation for time and travel.
